# WELCOME TO THE 2009 ILLINOIS USBC PEPSI YOUTH BOWLING CHAMPIONSHIPS STATE FINALS

## IMPORTANT INFORMATION

***Congratulations!*** You will be bowling 6 games (two sets of 3 games). You will bowl one three game set on one pair, then move to a different pair to bowl your second three game set. Your lane assignment is on the label located on the front of this program book. The official score is that which comes from the scoring system at Strike 'n Spare II Lanes. If you notice a scoring error on the monitor, please **STOP** bowling and get a tournament official to resolve the problem.

**Please check over your copy of the score sheet to make sure it has been added correctly. PLEASE MAKE SURE YOU SIGN YOUR SCORE SHEET AND OBTAIN THE YELLOW COPY FROM THE SCORE MONITOR WHEN YOU HAVE COMPLETED BOWLING.**

At the conclusion of the 1:30 p.m. squad on Saturday, May 16<sup>th</sup>, scores for all squads will be verified and the results from each division will be posted. Results should be available within an hour of the completion of bowling the 1:30 p.m. squad. The standings will be posted on the ISYABA website: [www.isyaba.net](http://www.isyaba.net) and also will be available at the bowling center and the host hotels.

The Top 24 bowlers, including ties for 24<sup>th</sup> place, from each division will return on Sunday, May 17<sup>th</sup>. If you call the bowling center to see if you made the Top 24, they may only give you the score for the 24<sup>th</sup> position, therefore, you will need to know your total score. Please double check your recap sheet to make sure it is added correctly. We will computer verify everything so if you notice a mistake in addition there is no need to notify us.

If you are in the Top 24 in your division, you will be required to be at Strike 'n Spare II Lanes by 7:30 a.m. on Sunday, May 17<sup>th</sup> to check-in at the tournament office. At 8:00 a.m., missing bowlers WILL BE REPLACED as stated in the guidelines of the IL Pepsi State Rules. REMINDER: bowlers must continue to follow the dress code with the addition that a collared shirt is **REQUIRED** on Sunday.

YOU ARE AMONG THE BEST IN ILLINOIS!

GOOD LUCK AND GOOD BOWLING!!

*Final Standings will be posted at: [www.isyaba.net](http://www.isyaba.net)*

## **HANDICAP DIVISIONS - STATE FINALS AVERAGE**

The State Finals Average is determined by the following:

Your highest league average as of March 9, 2009 is compared with your average at the 2009 Illinois YBC Zone competition (the scratch total, excluding handicap, will determine the Zone competition average). If the Illinois YBC Zone competition average is more than ten (10) pins higher than your league average; your tournament average will be recomputed based on a 3:1 ratio of league average to zone tournament average [ex: 140 tournament average, 100 league average - composite average =  $(140 + 3 \times 100) / 4 = 110$ ]. The composite average will be used at the Illinois USBC Pepsi Youth Bowling Championships.

## **NATIONAL TOURNAMENT INFORMATION**

### **HANDICAP DIVISIONS**

USBC has discontinued the national tournament for the Handicap divisions. Because of this, scholarship opportunities through the PEPSI tournaments have increased to over \$100,000 between the zone and state tournaments.

## **NATIONAL TOURNAMENT INFORMATION**

### **SCRATCH DIVISIONS**

The Boys and Girls Scratch Divisions will be advancing to the 2009 USBC JUNIOR GOLD NATIONAL CHAMPIONSHIPS to be held July 11-17, 2009, in Indianapolis, IN. Illinois will be advancing a total of 2 girls and 2 boys who meet the Junior Gold requirements to the National Championships. Entry fee will be covered and up to \$500 travel allowance will be provided to the two boys and two girls advancing from the scratch division to the Junior Gold National Championships. Please refer to the Q&A in this booklet with regard to the National Championship qualifications.

At the completion of the stepladder competition on Sunday, May 17<sup>th</sup>, a meeting will be held with those bowlers and their parents who are qualified to advance to the Junior Gold National Championships. At that time you will be provided with a packet of information necessary to compete in the National Championships.

*Final Standings will be posted at: [www.isyaba.net](http://www.isyaba.net)*

## **Q & A - SCRATCH DIVISION**

### **WHAT HAPPENS IF:**

- ***The top scratch bowler at the IL Pepsi State Finals meets the Junior Gold average requirement, but is not a current member of the Junior Gold Program?***
  - If the Pepsi scratch bowler meets the average requirement but is not a Junior Gold member after they win the IL USBC Pepsi State Finals, they will be required to buy a membership prior to their participation at the USBC Junior Gold National Championships. The membership applications are available in the tournament office and the cost is \$30 for a new membership.
- ***The top scratch bowler at the IL Pepsi State Finals has a Junior Gold membership card but it has expired or is about to expire?***
  - The bowler will be required to renew his/her their membership prior to participation at the USBC Junior Gold National Championships. The renewal cost is \$25 and the renewal can be completed in the tournament office or at the National Finalist meeting at the conclusion of the tournament.
- ***The top scratch bowler does NOT meet the Junior Gold average requirement (minimum 165 average for girls and 175 for boys)?***
  - If the Pepsi bowler does not meet the average requirement, then the "seed" to the Junior Gold Championships would move down the line until an athlete that meets the average requirement is found. The original scratch bowler still keeps any Illinois Pepsi State Finals scholarship earned but would not advance to the USBC Junior Gold Championships.
- ***An athlete has already qualified to advance to the USBC Junior Gold Championships through a prior qualifying event?***
  - If an athlete has qualified more than once to the USBC Junior Gold National Championships, they will advance through the event that is "better". *For example:*
    - A. If an athlete qualifies in November from a league for a spot at the championships and then qualifies in May from the IL Pepsi YBC, they would "choose" to advance through the IL Pepsi YBC since it is "better" (better because of the travel stipend). The qualifying bowlers advancing through the IL Pepsi YBC will have the \$150 entry fee paid for by USBC **AND** they are also in contention to vie for approximately \$50,000 in scholarships available to athletes at the USBC Junior Gold Championships.
    - B. If an athlete qualifies in December from a Premier Event and then qualifies in May from the IL Pepsi YBC State Finals, the athlete will have to make a choice as to which is the "better" spot for them. (They must make a decision if having part or all of their expenses to the USBC Junior Gold Championships paid for by the December premier event is more beneficial than having up to \$500 travel allowance from IL Pepsi YBC.) Once the athlete is contacted and makes that decision, an alternate would advance through the event in which they have turned down the spot (i.e. if they choose the December event, the next in line PEPSI finisher would take his/her spot at Junior Gold.

*Final Standings will be posted at: [www.isyaba.net](http://www.isyaba.net)*
