

2009-10 ILLINOIS PEPSI USBC YOUTH CHAMPIONSHIPS ZONE RULES and FORMAT

1. This tournament is certified by the USBC (#4022) and shall be governed by the rules of the USBC Youth Division.
2. **Participation** in the Zone competition is a one-time entry. Any individual who attempts to bowl twice in the Zone competition will be disqualified.

Advancers out of the league competition must remain in the division they qualified in all subsequent competition. In the event a bowler qualifies in more than one league in the same division, the bowler must advance from the league in which the highest series was bowled. For identical qualifying scores, the bowler will advance from the league where the first score was bowled. An individual advancing from leagues in more than one division must use the division they specified in the league they are advancing from

If a bowler advances out of league competition in more than one state/zone, the bowler must declare one state/zone to continue competing before the next competition level. Participation in any level of competition past the league competition in more than one state/zone will result in automatic disqualification.

If an individual qualified but cannot bowl in the Zone competition, replacements will be eligible only based on order of finish in league level of competition.
